"Often these are things that represent who you once were," she says. "But once their purpose is over, they just keep you stagnant." SHED, by the way, is an acronym for "separate the treasures, heave the trash, embrace your identity from within and drive yourself forward." Which is a handy little guide to Dumpstering your way into a state of Zen.

filling in your list, just skip them, but if you need help thinking outside the box, you might find these questions useful and thought-provoking. Bear in mind that the more people who know about your goals, the more likely you are to achieve them. So share this list with people who are encouraging, supportive and who also have goal-directed thoughts and behavior if you want to maximize your chances of success.

My 100 Thing Challenge. ... I know that challenges like these allow you to determine what you really need (and don't need) to be happy. (and in most cases, happier) With that, I want to simplify further and go beyond decluttering by taking the The 100 Thing Challenge written by Dave Bruno. Dave made his own rules and so did I.

If you're really minimalist, you might even want to go below 100 – perhaps 50. Some suggestions This challenge might actually raise a lot of questions, such as whether you count this item or that, or whether you count a bunch of things as one item or not, or whether this item is considered “personal” or not.
