Ten Principles of Policy Governance These principles of policy governance for non-profit boards of directors are known as "The Carver Model" and are taken from John & Miriam Carver's guide book #1. Principle 1: The Trust in Trusteeship. The board of a nonprofit or public organization represents the ownership of the organization.

### **Ten Principles of Policy Governance - Weavers Way**

Policy Governance®, an integrated board leadership paradigm created by Dr. John Carver, is a groundbreaking model of governance designed to empower boards of directors to fulfill their obligation of accountability for the organizations they govern.

### **The Policy Governance® Model - an Overview**

About the Carver Policy Governance® Model This section is designed to help you connect what you know about boards and governance with a premier form of governing, Policy Governance. Information here explains how Policy Governance addresses the needs, challenges and promises of good governance.

### **The Monitoring Process 2013 - Policy Governance Consulting**

Carver's approach to budgets is particularly problematic; as he notes, in a Policy Governance system, "atypical budget approval [by the board] isn't necessary" the board doesn't do blanket approvals of budgets, program
