

a multiplicity leadership approach pdf

The hypothesis that humans share a set of primary capacities, each with its own voice, emotions, drives, and strengths, depends in part on the concept that there is a multiplicity of mind. That concept has been written about extensively and developed into therapeutic models that are discussed in the next section.

Coaching the Multiplicity of Mind: A Strengths-based Model

A heightened awareness of the four leadership approaches can help leaders pull together a clear depiction of their leadership strengths and weaknesses and allow leaders the ability to more accurately predict trends, actions, and behaviors of people.
