I recently finished reading the book, "America's Secret War: Inside the Hidden Worldwide Struggle Between the United States and Its Enemies" by George Friedman. This is a non-fiction book about how George Friedman, founder and chairman of Strafor Forecasting, talks about how many of The United States' past events are all related.

America's Secret War: Inside the Hidden Worldwide Struggle

There is a tug of war going on for the future of America. At one end of the rope are those who think America is a secular nation; at the other end are those who believe religion is at the root of our country's foundation.

America's Real War by Rabbi Daniel Lapin Audiobook

In America's Secret War, George Friedman identifies the United States' most dangerous enemies, delves into presidential strategies of the last quarter century, and reveals the real reasons behind the attack of 9/11 and the Bush administration's motivation for the war in Iraq.
