Often, Shakespeare's King Lear is considered a classic of English literature and The Scarlet Letter in American literature. When scholars are speaking more specifically, however, the term classic is usually applied to the literature of the ancient world (Greek and Rome), especially between 1000 BCE and 410 CE.

Classics or classical studies is the study of classical antiquity. It encompasses the study of the Greco-Roman world, particularly of its languages and literature (Ancient Greek and Classical Latin) but also of Greco-Roman philosophy, history, and archaeology. Traditionally in the West, the study of the Greek and Roman classics was considered one of the cornerstones of the humanities and a ...
