Shall and Will The main use of the auxiliary verbs will and shall is to form the future tense. For example: I will arrive on Tuesday. I shall arrive on Tuesday. However, these days, the use of shall to form the future tense is becoming rarer (especially in the US), and it is safe to use will every time. In fact, to say it's "safe to use will every time" is understating the case.

The difference between shall and will (grammar lesson)
